Explore and "Sample" Hawkes Bay!

Blessed with fertile soils and a warm, temperate climate, Hawke's Bay is among New Zealand's leading producers of wine; notably red wines – cabernet sauvignon, merlot and syrah – and stunning chardonnays. Hawke's Bay is the first stop on the Classic New Zealand Wine Trail, and is a popular place for bicycle wine tours with many of the region's 30+ cellar doors, and numerous artisan producers, connected by 200km of flat, easy riding cycle trails.

Notable landmarks include Cape Kidnappers, home to the world's largest mainland colony of gannets; Lake Waikaremoana, where the walking track is among New Zealand's nine Great Walks; and Te Mata Peak, with its 360 degree views of Hawke's Bay and spectacular walking tracks.

Borders are Opening and we look forward to welcoming you in 2023.

As the borders open fully, we look forward to welcoming you to Auckland - ensure that you [click the link](#) to view more details about current information, Please note that this is subject to change.
