Join us in 2023 for the 32nd World Congress of the IALP | 20 - 24 August | Auckland, New Zealand

Congress Theme: Together Towards Tomorrow

## Congress Open Ceremony

We are delighted to announce that the 32nd World Congress of the IALP will be opened by Hon Marama Davidson (Ngāti Porou, Te Rarawa, Ngāpuhi).

Marama co-leads New Zealand's Green Party and holds portfolios relating to social care within government. Marama is delighted to welcome our international visitors to Aotearoa. She has lived experience of communication disability through her father, Rawiri Paratene, a giant of New Zealand theatre, now living with aphasia. A family of activists, disruptors, and change-makers, language and communication have been their lifeblood. Translating Shakespeare into the reo Māori is just one of her father's many achievements.

A strong and outspoken human rights and environmental activist, Marama is also Mum to six children and also, a grandmother. Of her Dad's aphasia, she says "He communicates differently now ... it has been a journey for our whanau to see him work so hard to be able to speak again".
